Accessing and Using Webmail

In your Web browser address bar, type in the following address:

https://webmail.usli.com/exchange **Please note the S in HTTP.**

Without it, you will not be able to connect.

You will see the login screen:

In the Domain\user name field, enter **usli\username**
(Where username is the user name you login to your computer with)

In the Password field, enter your **login password** (case sensitive)

Under the Client field, you can select one of the following:
Premium – Select this if you are on a high speed Internet connection, such as a Cable Modem or DSL
Basic – Select this if you are using any form of Dial-Up Internet service

Microsoft®
Outlook Web App

Security (show explanation)

◉ This is a public or shared computer
○ This is a private computer

☐ Use the light version of Outlook Web App
